Open call for presentations

We invite you to submit abstracts for short oral (12 mins with a maximum of 3 slides per presentation) and elevator pitch (3 mins, maximum of 1 slide) presentations on the theme of the conference. Presentations may relate to the findings of studies in this area or exploration of the complexities and challenges of conducting research in this field. Further details on the scope of the theme are available from http://www.healthcareimprovementscotland.org/news_and_events/events/6th_annual_research_symposium.aspx

Abstracts can be submitted using the headings: Introduction, Methods, Results and Conclusions and should be of no more than 400 words. Please indicate which presentation format you would prefer.

The closing date for abstracts is Monday 22 January 2018 and these should be sent to Annualresearch.symposium@nhs.net.

Registration for the event will open in February 2018. Further enquiries should be made to Eleanor Brownlee via Annualresearch.symposium@nhs.net.
